Overview

Outcome Measures Overview

Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts and eight undergraduate subcohorts at three status points: four-years, six-years, and eight-years after entry.

The four cohorts of degree/certificate-seeking undergraduates are:

- · First-time, full-time entering (FTFT)
- · First-time, part-time entering (FTPT)
- Non-first-time, full-time entering (NFTFT)
- Non-first-time, part-time entering (NFTPT)

For each cohort, two subcohort groups have been added to the OM component - Pell Grant recipients and Non-Pell Grant recipients - resulting in eight new undergraduate subcohorts.

Major Updates:

 Starting with the 2017-18 collection, all institutions must report on a FULL-YEAR cohort. The OM cohort year is resrt su Th

undergraduates during July 1, 2009 - June 30, 2010 and place each student in the appropriate Each student should be reported only once.

- A new, third status point of four years after entry has been added to OM component.
- For each status point, institutions will report the highest type of award conferred to a student for subcohort. The three award categories are certificates, associate's degree, and bachelor's degree awards are mutually exclusive within each status point.
- Institutions should report exclusions for the entire eight year period only on the Establishing C screen. Additional exclusions cannot be reported on the status point screens (i.e., four-years, eight-years after entry).
- IPEDS will ask for an estimated time it took to complete the OM component. Include in that esti
 time to review instructions, research data sources (i.e., coordinate with IT and Student Aid offi
 complete and review the component, and submit the data.

Data Reporting Reminders:

All reporting institutions will report on the entering cohort year: 2009-10 (July 1, 2009 - June 30, 2010).

- Four-year status point was as of August 31, 2013
- · Six-year status point was as of August 31, 2015
- · Eight-year status point was as of August 31, 2017

Reporting Tips:

Carefully read each OM FAQ before reporting your institution's data. There are new FAQs regarding the majo

updates to OM 2017-18 collection, such as academic reporters now reporting on a full-year cohort, summer sessions starting prior July 1, reporting awards at different status points, and Pell Grant and Non-Pell Grant recipient subcohorts.

Remember: All institutions are required to report transfer-out student data. Refer to FAQ #33 for more information.
