University of Missouri System FY 2008 Operating Budget

Introduction and Overview

Introduction

The University of Missouri System Operating Budget sn

FY 2008 Current Funds Budget Summary

For fiscal year 2008, the University of Missouri's current funds budget totals almost \$2.3 billion. Of the total current funds budget, 86.8% is unrestricted and 13.2% is restricted. The current funds budget is made up of the University's operations fund, as well as the operating budgets for the Hospitals, auxiliary enterprises, continuing education, service operations, self-insurance funds, and restricted funds.

Current Funds Revenue Budget

Restricted

by-20a8(1(08r)-

Not included in this category are funds generated from the University Physicians' clinical operations, which are part of the University of Missouri-Columbia Medical School's physicians' practice plan.

Sales and services of auxiliary enterprises totaling \$346.2 million, or 36.8% of the current funds sales and services budget, include revenues from essentially self-supporting activities that provide services and sales primarily to students, faculty, and staff. These include housing and dining halls, intercollegiate athletics, bookstores, parking operations, student unions, recreational facilities, the television station, University Physicians clinics, veterinary medicine clinics, and other miscellaneous activities.

Sales and services of educational activities, totaling \$33.8 million, include the operations of the dental and optometry clinics, as well as activities related to the UMKC medical residency program, Agricultural Experiment Station, Cooperative Extension, and other activities.

Gross tuition and fee revenues of \$570.7 million are the second largest source of revenue and contribute 23.2% of the gross current funds revenue budget. Scholarship allowances, or financial aid, reduce revenue from student fees to \$384.0 million or 16.9% of total net revenue, making it the third largest contributor of total net revenue. Tuition and fees of \$516.9 million are recorded in the operations fund. Student fees of \$36.8 million, related to continuing education, are recorded in a separate fund. The \$16.7 million in student fees in the auxiliary enterprises fund group are activity and facility fees primarily for student health, parking, athletics, and University Centers/Unions.

State appropriations, at \$461.0 million, comprise the third largest source of gross current funds revenue. However, once student fee discounts have been applied to gross fees, state appropriations becomes the second largest contributor of total net current funds revenues at 20.3%. State appropriations include \$418.0 million in the operations fund for the general mission of the University, and \$24.1 million for University Hospitals & Clinics. Restricted appropriations for the Missouri Institute of Mental Health, Missouri Kidney Program, the Missouri Research and Education Network (MOREnet), Missouri Telehealth Network, and Spinal Cord Injury Research total approximately \$18.8 million.

Federal, state, and other grants and contracts combine for total projected revenues of \$314.0 million, or 13.8% of the total current funds revenue budget. These revenues are an estimate of the funds that will be received during FY 2008.

Other revenue sources include federal appropriations (primarily for the Agricultural Experiment Station and Cooperative Extension), investment income, gifts and endowment income (primarily for student aid and chairs/professorships), recovery of facilities and administrative costs (recovery of F&A), which are generated from externally funded grants and contracts, and miscellaneous income.

Table 2, on the following page, shows the percentage distribution of current funds revenues by major revenue source for each campus, UM Extension, the Hospitals, and the system administrative units. Tuition and fees net of financial aid is the largest source of revenue for the St. Louis and Kansas City campuses. State appropriations is the largest contributor for

UM Extension, the Rolla campus, UM System Administration, and University-wide Resources. Sales & services of educational activities and auxiliary enterprises is the largest source of revenue for the Columbia campus and the Hospitals (Patient Services). State appropriations are the second largest source of funds for the Kansas City and St. Louis campuses. Grants and contracts are the second largest source of revenue for the Columbia campus, and net tuition fees are the second largest source for Rolla campus.

Expenditures

Compensation expenditures of \$1.5 billion account for 63.3% of current funds expenditures and transfers in FY 2008. Salary expenditures total \$1.2 billion and employee benefits expense is anticipated to be \$297.4 million. Expense and equipment and capital expenditures of \$699.7 million contribute 30.5% of current funds expenditures and transfers. Budgeted transfers of \$142.5 million, primarily for debt service and maintenance and repair, make up the remaining 6.2% of the budget.

Table 3 shows the percentage distribution of the FY 2008 current funds expenditure budget by object of expense for each campus, UM Extension, the Hospitals, and the system units.

Note 1: University of Missouri Extension is a cooperative effort administered by the University of Missouri - Columbia

Note 2: University-wide Resources expenditure percentages are omitted because Self Insurance Fund contributions are budgeted at a higher level than expenditures to increase reserve levels. This causes the percentage distributions to be distorted.

Note 3: The majority of student aid is treated as a reduction of revenue rather than as a scholarship expense.

Table 5 on the following page presents the FY 2008 University of Missouri consolidated current funds revenue budget by major revenue source, and the expenditures and transfers budget by object of expense and by major program classification, for the following fund groupings:

- Operations
- Continuing Education
- Service Operations
- Self Insurance Funds
- Auxiliary Enterprises
- Hospital Operations
- Restricted Expendable Gifts, Endowments, and State Appropriations
- Restricted Grants and Contracts (fiscal year estimate of project budgeted funds)

Tables 6 through 13 provide the same information for each campus, as well as for the Hospitals, University of Missouri Extension, University of Missouri System Administration, and University-wide Resources.

University of Missouri System FY 2008 Operations Fund Budget Summary

The operations fund is where the majority of the University's instructional and public service activities are budgeted and accounted for. The operations fund comprises approximately 41.9% of the University's current funds budget. State appropriations are recorded here, with the exception of those appropriations that are line itemed for the University Hospitals and the other Curators' programs. The majority of student fees are also recorded in the operations fund. State appropriations and tuition and fees are the primary sources of revenue in the operations fund. Historically these two sources of funds accounted for over 91% of operations fund revenues, before scholarship allowances are applied. However, in recent years, they have dropped to about 87% of gross operations fund revenues. Of the FY 2008 budgeted gross operations fund revenues, 48.2% comes from tuition and fees before student aid and 39.0% comes from state appropriations.

Gross Tuition and Fees and State Appropriations

revenues. When scholarship allowances, or financial aid, are netted against tuition and fees in accordance with GASB 34/35 the net student fees contribution declines to 41.7% of net revenues making them the second largest contributor with \$397.6 million. State appropriations, in the amount of \$418.0 million, is the largest source of net revenue at 43.9%. Together, they fund 85.6% of the operations fund budget. Table 14, displays the FY 2008 operations fund budget by source of funds and expenditure category along with the revenue contribution and the expense distribution percentage.

	UM System Total	Percent Distribution
BUDGETED BEGINNING BALANCE	\$197,372,437

Note: University of Missouri Extension is a cooperative effort administered by the University of Missouri - Columbia

Tuition and fees (net of scholarship allowances) and state appropriations are the primary sources of revenue for all four campuses. These two sources of revenue fund 85.6% of the operations fund budget at the University of Missouri-Columbia, 83.6% at the University of Missouri-Kansas City, 90.7% at the University of Missouri-Rolla, and 97.2% at the University of Missouri-St. Louis. University of Missouri Extension is funded primarily by state and federal appropriations. At the University of Missouri System Administration, the major sources of funds are state appropriations and miscellaneous income. State appropriations and endowment and investment income are the only material sources of revenue for University-wide Resources.

Compensation expenditures make up 77.0% of the operations fund budget. Salaries and wages of \$592.6 million, account for 60.8% of the

Tables A1 through A7 in the appendix present the operations fund expenditure budgets by administrative division for each campus, University of Missouri Extension, UM System Administration, and University-wide Resources. The tables provide summary totals for salaries & wages, employee benefits, other operating expenses, capital expenditures, and transfers (by type), for each college, school, and division.

Tables A8 through A15 in the appendix present the operations fund budget by minor program classification (PCS) category for the campuses, University of Missouri Extension, UM System Administration, and University-wide Resources. The tables provide summary totals for salaries & wages, employee benefits, other operating expenses, capital expenditures, and transfers.

FY 2008 Other Curators' Programs Budget Summary

In addition to the general state appropriation for the operations of the University, the Curators receive line-itemed state appropriations for the University Hospitals & Clinics, Missouri Rehabilitation Center, Missouri Kidney Program, Missouri Institute of Mental Health, Missouri Telehealth Network, Spinal Cord Injury Research, Missouri Research and Education Network (MOREnet), and the State Historical Society of Missouri.

Table 18 presents summary budget data for the Missouri Kidney Program, Missouri Institute of Mental Health, Missouri Telehealth Network and Spinal Cord Injury Research. These programs are recorded as restricted current funds.
