Overview

IPEDS Student Financial Aid Component Overview
Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component of the U.S. Department of Education's Integrated Postsecondary Education Data System (IPEDS). The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students at your institution.

Changes to This Year's SFA Component

- Only one year of data will be collected for existing institutions. New institutions will need to report multiple years of data. Changes to prior years of data must be made in the Prior Year Revision System.
- SFA is now part of the Winter collection. The Winter collection will close for keyholders on February 6, 2013.
- In Part E (data for Group 4), Column 2 has been revised for clarity. It now more clearly matches with the data in Column 3.

Data Reporting Reminders**Groups**

Throughout this component, you will be asked to report information for different groups of students.

- **Group 1:** All undergraduate students
- **Group 2:** Of Group 1, full-time, first-time degree/certificate-seeking students
- **Group 3:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or Transparency lists.

Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges.

Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.
