IFC Minutes

2/19/21

1. Course Sharing
   a. Taskforce met this fall semester; course sharing had done well but there are some pain points that could be improved upon
   b. The Taskforce made the following recommendations:
      i. Reciprocity – if youuInTc 0s00;2cipTc .9 (1-3.6 Tg)2(r)3.2Tw (ad2 (g)]fac (F)-.3r6.6 I3 (y)6.43 (5;2c)-

    c. Teams, Box, Canvas – students don't know where to go; same look and feel for online interaction will help them

    d. Provide a recorded update/monthly update of what is new

3. Legislative update
    a. 1830 bills filed – tracking 320 of those
    b. Key legislation updates
        i. Suspend the tuition cap for 5 years and allow for differential tuition
            1. #1 priority
        ii. K-12 offer computer science
            1. Currently the bill calls for Higher Ed to accept computer science as math, practical arts
            2. Working with bill sponsor to remove the mathematics portion
        iii. Path for high school students for early graduations
            1. The bill would allow students, if can prove proficiency in 10th grade, to graduate and money that would have gone to pay for the student's 11th-12th grade years would go into a 529 that would go to the school district
        iv. Campus carry
            1. With a conceal and carry people would be permitted to carry on campus but allows our governing body to have some oversight

4. CR&Rs
    a. Ability to work
        i. Grammatical edits recommended
    b. Consensual romantic relationships
        i. Expanded to prior relationships
        ii. Not limited just to supervisor, but also to include evaluative roles
        iii. Prohibition with undergraduate students but there is an exception clause for 'older' undergraduates.
        iv. Section B5 - should include undergrad too
        v. A2 modifications after potential, or conduct
    c. Dismissal for cause quick update – first draft in progress; it will be reviewed by the taskforce before it comes to IFC

5. System-wide faculty and staff code of conduct
    a. What will be done with this conduct code and is the plan to include it with annual compliance training
        i. After completed there will be a communication and roll out – it doesn't apply to students but does to leaders, faculty and staff
        ii. It will be part of new employee orientation
        iii. Potentially a refresher video to remind faculty and staff about the code so we don't lose sight of it
        iv. Publicize it to get as much feedback as possible from faculty and staff

6. HR Updates
    a. Transition Assistance Program
        i. Duration of benefit
        ii. Recommendation is to move to a 45-day minimum with a an 84-day maximum
