Overview

This document contains the approved rates for student housing, activity, facility, and health service fees for fiscal year 2021 and other supporting materials as submitted by each campus in the University of Missouri System. This information was prepared in support of housing fee changes that become effective in the Summer Session 2020 and activity, facility, and health service fee changes that become effective in Fall Session 2020.

Table 1 shows a summary of Board approved undergraduate tuition, fees and room and board for academic year 2021 compared to 2020. Activity, facility and health service fees along with the information technology fees are referred to as required fees. The tuition and required fee rate changes are in compliance with Higher Education Student Funding Act (HESFA, SB389) (section 173.1003; RSMO) unless otherwise noted. FY2021 total tuition and required fees will change by 2.3% at MU, UMKC, and S&T, and 2.2% at UMSL. UMSL has a comprehensive tuition rate that combines per credit hour tuition rates with activity, facility, and health service fees, which are charged to all students. As a result, there will be no separate assessment of activity, facility, and health services fees for UMSL beyond FY2014. UMSL's FY 2021 rate will increase by 2.2%.

Activity, Facility, and Health Service Fee Highlights

Table 3 shows a summary of activity, facility, and health services fees by term for FY2020 and FY2021, while Tables 3a-3c present details of these activity, facility and health service fees by campus.

These fee proposals were prepared under the direction of the Vice Chancellors or Vice Provosts for Student Affairs on each campus. Planning for fee changes are conducted using operating assumptions unique to each campus and activity, within the context of general economic guidelines communicated by the Finance Division. Appropriate advisory groups, affected students, and/or their elected officers reviewed and supported the activity, facility, and service fee proposals.

Increases in undergraduate activity, facility, and service fees per semester are
